Border Protection Command

Border Protection Command's Australian Maritime Information System

PHIL BREZZO
DIRECTOR OPERATIONS
BORDER PROTECTION COMMAND
AUSTRALIAN CUSTOMS AND BORDER PROTECTION

Australian Government
Border Protection Command

Mission

In concert with other **government agencies** and **stakeholders**, **BPC** protects **Australia's national interests** by **generating awareness of activity** in **Australia's Maritime Domain**

and responding to mitigate, or eliminate, the risks posed by security threats

Australian Government
Border Protection Command

What are we?

BPC is an Australian Government *multi-agency operational authority* staffed by:

PRIMARY agencies

- Australian Defence Force
- Australian Customs and Border Protection Service

PARTNER agencies

- Australian Fisheries Management Authority
- DAFF Biosecurity (Dept. of Agriculture Fisheries and Forestry)
- Australian Maritime Safety Authority
- Augmentees from other Agencies when required

Australian Government
Border Protection Command
