IASC

Inter-Agency
Standing Committee

Under the leadership of the Emergency Relief Coordinator the IASC:

- develops humanitarian policies,
- agrees on a clear division of responsibility for the various aspects of humanitarian assistance,
- identifies and addresses gaps in response, and
- advocates for effective application of humanitarian principles.

The IASC forms the key strategic coordination mechanism for the humanitarian system

DRAFT Version 8.0

23.11.2010

NOTE: This is a working draft document developed through the Asia-Pacific Military Assistance to Disaster Relief Operations series of Conferences (APC-MADRO). The draft is currently undergoing a 12-month testing and validation period with regional groups and through regional forums. Minor editing changes have been made to the Guidelines as agreed at the Fifth APC-MADRO in October 2010. An electronic copy of the Guidelines is posted on the Office for the Coordination of Humanitarian Affairs (OCHA) Regional Office for Asia and the Pacific (ROAP) Website at <http://ochaonline.un.org/roap>. Any substantive amendments that result from testing and validation will be made by the APC-MADRO Secretariat on-line in 'track changes' and circulated to all APC-MADRO partners for further discussion.
