The Administration of the Ministry of Defence Act B.E.2551 (2008)

- ❖ Safeguarding independence and security of the Kingdom from threats
 - ❖ Protecting the country and people from rebellion and disorder
 - ❖ ...
 - ❖ Protecting and solving problems of disaster
 - ❖ Providing humanitarian assistance
 - ❖ Performing Military Operations Other Than War for the security of the Kingdom
- 
- The background of the slide features a composite image. The upper portion shows several fighter jets flying in a formation against a cloudy sky, leaving white smoke trails. The lower portion shows a large, dark-hulled military transport ship, likely an LST, moving through the water. The ship's hull number '431' is visible on its bow. The overall scene conveys a sense of active military operations and defense.
