

GLOBAL COMPLEX FOR INNOVATION

## INSIDE THE CYBER FUSION CENTRE

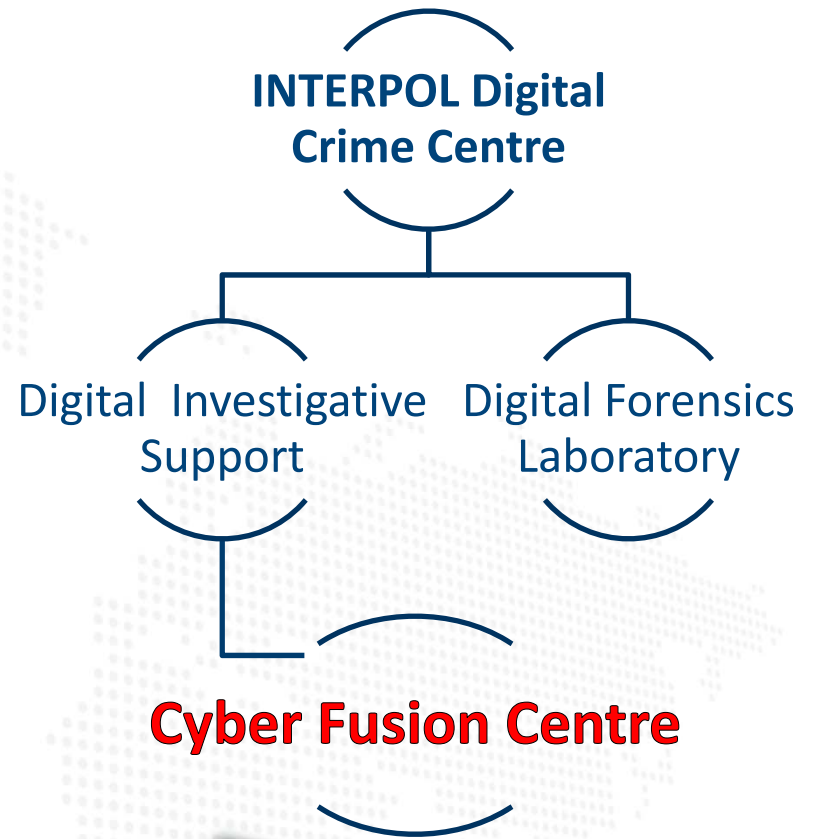

Michael DeBolt

Digital Crime Officer

INTERPOL Digital Crime Centre | Cyber Fusion Centre

The single gateway for global cyber threat intelligence sharing, and a secure and neutral workspace where law enforcement and the private sector can tackle cybercrime together.

# Cyber Fusion Centre...

...as the **point of initial assessment**

- [cfc@interpol.int](mailto:cfc@interpol.int)
- Options: **Operationalize** vs. **alert** vs. **store/monitor/track**
- **Secured** storage with **granular** permissions
- Data **sanitization**, **classification**, and **non-attribution**

...as the **intelligence analysis cell**

- **Reactive** and **Proactive** intelligence collection
- **Private** <-> **Public** sector collaboration
- **Cross-reference** with known datasets
- **Enrich** with CFC analysis (OSINT, private sector expertise, etc.)

...as the **point for intel sharing**

- **Purple notices** (modus operandi)
- **Cyber Activity Reports** (tactical, actionable intelligence)

نشكركم جزيل الشكر على انتباهكم  
**Thank You-Merci-Gracias**
