Further Exploiting ARF Potentials in Dealing with Nontraditional Security Challenges in the Region

Ministry of Defense, Japan

An Image of Security Cooperation Architecture in the Region

Characteristic of cooperation in DR

**While keeping the framework of ARF,
Everything is not necessarily done by consensus**

ARF/VDR

- ✓ **Not all member states deployed assets**
 - **14 members deployed relief assets**
 - **Others participated as observers**

ARF Voluntary Model Arrangement

- ✓ **To be referred to where establishing an arrangement
between ARF Participants on a voluntary basis**

Direction of ARF cooperation

- ➡ **Continuous cooperation with voluntary participants**
- ➡ **Participants depend on agenda**

ARF

More Practical Cooperation

- ➡ **Keeping the framework of ARF**
- ➡ **Progress at a comfortable pace of all member states**

**ASEAN= The driving force of the
Regional Cooperation**

Concept of ARF Registration Scheme for DR (Image)
